Bird:  
**The Osprey**

**Maddie Dionne**

Blue Heron  
Procreate  
7th Grade PVA

I chose the Blue Heron because I see them all the time in Annapolis during the spring and summer time. I think that the personality sticks out with the shading and the body shape. I loved working on the legs, they are so easy to work on and the time lapse was so cool to watch. I would have maybe changed the feathers on the big but I loved the finished piece and I am so proud of it.
