City Council Citation

On behalf of the residents of the City of Annapolis, we are pleased to confer this City Council Citation in recognition of your work in facilitating a generous donation of financial assistance to renters impacted by the September 1, 2021 tornado in Annapolis. Often, those who rent their primary residence do not have as many options when it comes to disaster assistance. This welcomed donation provided by donors to the Annapolis Community Foundation helped to ensure that no one within the Annapolis community would go without needed financial relief following this devastating event. Your work and your donors' generosity went a long way to help victims of the tornado continue in their recovery. For the past thirteen years, the Annapolis Community Foundation has awarded more than \$160,000 to more than 50 Annapolis-area organizations. We appreciate the Annapolis Community Foundation's commitment to serving the residents and we commend you for their honorable mission.
