City Council Citation

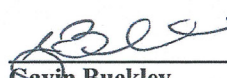

On behalf of the residents of the City of Annapolis, we are pleased to confer upon you this City Council Citation in recognition of your work in promoting the voices and stories of Black Girls and Women through your founding of The Black Girl TRIBE. Thank you for your advocacy and leadership! After working in the non-profit sector, you recognized the need for Black and Brown Girls and Women to be given a seat at the table and a voice in the discussion. Through your network of Black Girl Magicians, The Black Girl TRIBE has worked to fill gaps by providing a space for mentorship, advocacy, and culturally-competent and relevant programming. Your programs and actions are all developed in the spirit of gained access, "noticed need," or direct life experience. TRIBE works with sisters in elementary through high school, post-secondary academic environments and those in professions. We know you are building a movement of women and their allies who will lift up future generations. We appreciate you!
