

FISCAL IMPACT NOTE

Resolution: R-32-22

Title: Chesapeake Bay Trust/Anne Arundel County and City of Annapolis Watershed Restoration Grant Program Permit Fees Waiver

Date: May 18, 2022

This resolution waives the permit fees in connection with the CBT Watershed Restoration Grant Program projects. The CBT projects are for the benefit of the City. The City's General Fund would incur an annual loss of approximately \$9,500 in fee revenue; however, the Watershed Restoration fund would save \$9,500 in expenses.
