

## STAFF REPORT ON PROPOSED LEGISLATION

---

To: Mayor Gavin Buckley  
Date: August 22, 2023  
Subject: 0-27-23 - Updating the City of Annapolis Electrical Code

---

This proposed ordinance modifies sections of the city code that pertain to the adoption of the National Electrical Code and the National Electrical Safety Code. Adopting these revisions will update the city code and reference the 2020 version of the National Electrical Code and the 2023 version of the National Electrical Safety Code.

The Maryland Fire Prevention Commission administers the state fire code adoption process. The commission is currently working on adopting the 2020 version of the Fire Code, which references the 2020 National Electrical Code.

Adopting this ordinance will place the City in line with state-adopted codes.
