

City of Annapolis City Council
Committee & Commission Referral Action Report

Date: September 23, 2016

To: Legislative and Policy Analyst
City of Annapolis Office of Law

The Maritime Advisory Board has reviewed O-34-16 (Harbor Line at South Annapolis Yacht Center), and has taken the following action:

XX Favorable

_____ Favorable with amendments

_____ Unfavorable

_____ No Action

_____ Other

XX Comments:

The Board had aerial photographs of the subject marina from March 15, 1977, (prior to the establishment of the harbor line in question), as well as later. Each of those photographs (copies attached) depict the area in question as fully utilized for boat slips, the same as it is today. Accordingly, the Board concluded that the existing rectangular deviation of the drawn line did not relate to either the existing shoreline nor to any configuration or use of the marina existing at the time of the establishment of the harbor line. Accordingly, the Board voted 5-0 to recommend approval of O-34-16.
