

Mission and Objectives for the Special Committee of the Council

Mission statement

The goal of this ad hoc committee is to address concerns about inequitable treatment in the Annapolis Police Department as outlined in the Caucus Resolution.

Objectives

1. To review the complaints and determine the validity of each.
2. If appropriate, to recommend follow up action.
3. To report findings to the Public Safety Committee and then to all members of the City Council.
4. Recommend a process to be used to address future complaints.

My goal is to give the committee the latitude they need to help us address the community concerns.
