Moratorium on Planned Developments

The purpose of this Ordinance is to place a moratorium on Planned Developments until September 1, 2018.

During the moratorium period, the City will review the definitions, policies, procedures, regulations, permissions, and outcomes related to Planned Developments in anticipation of future City Code amendments pertaining to Planned Developments.

Accordingly, this legislation proposes to place a moratorium on any further Planned Developments effective the date of passage of O-31-17, so that the City may conduct a comprehensive review of Planned Developments and formulate related amendments to the Annapolis City Code.
