Re: Recommendation for O-28-17

Dear Mr. Mayor and Members of the Council:

The Transportation Board met on May 24, 2017 to discuss O-28-17, "Removing City Employee Parking From Hillman Garage."

The Board supports O-28-17 by a vote of 7-1.

Rationale:

O-28-17 represents a long-standing recommendation of this board as well as the defunct Parking Commission which was folded into this board. The city promotes the use of satellite garages for non-city employees and visitors, so the city should lead by example with its employees. Additionally, we caution the city to allocate its spaces in the Hillman and Gotts garages for need-based employees who require special accommodations for physical, personal or job related reasons and not use them as an executive perk or other patronage.
