Page 7, line 1 insert

“I. The owner or agent of a building subject to the registration requirement of this Section shall, at all times the ground floor of the building is vacant, establish and maintain either a viable office space, a window display or other adequate window treatment that gives the appearance that the ground floor of the building is not vacant.

J. The City may cause to be affixed to the ground floor exterior of a building subject to the registration requirement of this Section, an 8.5” x 11” sign setting forth the name of the owner of the property and any other pertinent information that the City may require to protect the health, safety, and general welfare of the public.”
