Q. What is the difference between a "Visitor" permit and a "Guest" permit?

A. The City issues a "Visitor" permit for the vehicle of a person who stays at a residence within a permit parking district for more than 24 hours. A "Guest" permit is issued for the vehicle of a person who visits at a residence within a permit parking district for less than 24 hours. There is no charge for a "Guest" permit, or for a "Visitor" permit for seven days or less.

Q. Do I have to obtain the permit(s) for my visitor's vehicle or can my guest apply for the permit(s)?

A. The applicant for a parking permit must be the resident; not the visitor, guest, or business representative. Only residents of permit parking districts are eligible to obtain parking permits.

Q. I own a residence located in a permit parking district but do not live there. I lease the property to others. Can I obtain a temporary parking permit when I am painting and making repairs between tenants?

A. No. An owner of a property within a permit parking district cannot obtain parking permits unless he/she is also the resident. Only persons who live full-time in a permit parking district can obtain parking permits.

Q. It is not possible for me to get to City Hall during the day to obtain the permits. Is there somewhere I can obtain the permits in the evening or on weekends?

A. Yes. Guest permits (valid for up to 24 hours) may be obtained [online](#), or at any [Alexandria Library branch](#), in addition to City Hall.

Q. Does the parking permit allow me to park my vehicle anywhere?

The City Code also prohibits parking a vehicle in the same place for more than 72 continuous hours. The parking permit would not override this restriction.

Maryland:

Montgomery County is bringing back paper permits for its residential parking program after exclusively using a digital system for a little more than two years.

Charleston

*****Permits are non-transferable and valid only for the registered vehicle*****

Providing false information to obtain a residential parking permit is a violation of Sec.19-270 of the City of Charleston Code and violators shall be subject to a \$ 1,097 fine. Further, it shall be unlawful for any person to display an unauthorized parking permit decal. Any person who violates this provision of the City Code shall be subject to a penalty of one hundred dollars (\$100.00).

PLEASE NOTE: All unpaid parking citations must be paid in full, before a new residential parking permit will be issued. For citation totals or any other questions regarding the Residential Parking Permit Program, please call 843/724-7375. Please have all license plate numbers ready for reference.

Resident For purposes of this Chapter 54 of the Code of the City of Charleston, except for Section 54-211, the term "Resident" shall mean the record owner of the property who (1) physically resides at the subject property at least 183days each year and (2) has designated the subject property as his/her legal voting address and the address of his/her driver's license.
