**Annapolis City Dock – Urban Land Institute, Baltimore Technical Assistance Panel,  
January 29, 2019, Report “Reclaiming a Local and National Treasure”**

**Tierney Proposed Amendment**

**AMENDMENT #1**

Page 2, line 23 after “forward” strike the “period” and substitute with “; and”; line 24 insert “**WHEREAS**, the City Dock Action Committee will submit a final report to the City Council in the Fall of 2019, and will follow these five guiding principles in preparing the report:

1. Enliven the pedestrian experience by creating and programming inviting, green community space with access to the water;
2. Ensure the future health and viability of City Dock businesses while committing to a high quality of life for the adjacent residential neighborhoods;
3. Provide new accessible parking options with any relocation of existing parking;
4. Preserve and enhance Downtown Annapolis’ Maritime Heritage, its authentic character and view sheds by honoring the existing building/zoning envelope and maritime focus;
5. Reduce flooding at the City Dock immediately while implementing long-term comprehensive resiliency efforts.”
