

## FISCAL IMPACT NOTE

---

**Ordinance:** R-31-19

**Title:** Rental Unit and Short-Term Residential Rental Licenses - Fines

**Date:** July 1, 2019

---

This resolution modifies the FY2020 Fines Schedule adopted by the City Council via R-16-19. It establishes a new fine of \$100 for posting an unlicensed premises. All other fines remain unchanged. It also amends the Code sections referenced in the Fines Schedule to reflect the sections established in O-26-19.

We are unable to determine the fiscal impact of this resolution as we cannot predict how many unlicensed rentals might be fined or whether additional fines might be generated for other violations of Chapter 17.44.
