

FISCAL IMPACT NOTE

Resolution: R-36-19

Title: Critical Area Overlay Fees

Date: October 23, 2019

This resolution adds a fee in lieu of planting in the Critical Area pursuant to Section 21.54.105 G of companion ordinance O-27-19, Critical Area Overlay. The proposed fee in lieu of planting in the Critical Area, both within and outside the buffer, is \$6.25/ square foot. This resolution has no fiscal impact because the Department of Planning and Zoning has been collecting this fee. The fee is derived from the City's \$1,250 fee per tree and the State's allowance of 200 square feet of coverage with a 2" caliber tree: ($\$1,250/200\text{sf} = \$6.25/\text{sf}$).
