

## FISCAL IMPACT NOTE

---

**Resolution:** R-51-19

**Title:** Honoring Chief Joseph S. Johnson

**Date:** January 8, 2020

---

The Director of Public Works estimates the cost to install a plaque inside or outside of the APD building is a minimum of \$2,500. If the intent of this resolution is to name the APD building after Chief Johnson and erect an entrance sign on Taylor Avenue similar to that at the Samuel Gilmer Transportation Center (Department of Transportation building) on Chinquapin Round Road, the estimated cost is \$10,000.
