

STAFF REPORT ON PROPOSED LEGISLATION

To: Mayor Gavin Buckley
From: J. Rick Gordon, Director
Date: July 8, 2020
Subject: O-28-20 Parking Permit Display

O-28-20 Parking Permit Display requires that holders of Residential Parking Permits (RPP) must display the permit decal on the driver's side rear window of the vehicle. Several residents have expressed concern about unfamiliar vehicles parked in residential communities exceeding the two-hour limit and taking parking spaces designated for RPP holders. Display of the RPP permit decal will permit visual confirmation of permit holder vehicles and minimize the number of complaints reported for enforcement. The Annapolis Transportation Board also supports this ordinance.
