

## FISCAL IMPACT NOTE

---

**Charter Amendment:** CA-2-20

**Title:** City of Annapolis Primary Election Date

**Date:** July 22, 2020

---

This Charter Amendment modifies the date of the Primary Election for City of Annapolis elections from the third Tuesday of September in each year in which municipal elections are held, to the second Tuesday of July in election years. It has no net fiscal impact; however, the FY2021 budget does not include appropriations for this election. Moving the date may result in elections expenses in FY2021.
