

STAFF REPORT ON PROPOSED LEGISLATION

To: Mayor Gavin Buckley
From: Sally Nash, Director of Planning & Zoning
Date: September 9, 2020
Subject: O-35-20 Critical Area Overlay

In January 2020, the City Council approved a comprehensive re-write and update of the Critical Area ordinance for the City of Annapolis. Following this approval, the ordinance needed to be approved by the Critical Area Commission, a State body. This approval was granted in August, but there were a few wording changes that the Commission required. This ordinance reconciles what the City approved with that the State approved. The changes are minor and are not substantive.
