

STAFF REPORT ON PROPOSED LEGISLATION

To: Mayor Gavin Buckley

From: David Jarrell, City Manager

Date: October 22, 2020

Subject: O-43-20: Aldermanic Annual Allowance

This ordinance simply allows Alderpersons to use their annual allowance of \$1500 for constituent service expenses such as supplies for town halls and constituent outreach. Currently, the allowance can be used only for education and training.

The constituent services expenses seem like a reasonable use of the annual allowance funds by the Alderpersons.
