

FISCAL IMPACT NOTE

Ordinance: O-46-20

Title: Public Health and Safety

Date: November 6, 2020

This Ordinance updates Title 10 to remove obsolete provisions; authorize the Department of Public Works to establish regulations governing garbage and refuse, update the enforcement powers of the Deputy Director for Resilience and Sustainability to include polystyrene material, create definitions, and clarify procedures and penalties concerning commercial solid waste collection and contract approval. It has no fiscal impact.
