R-65-20: Drug-Loitering Free Zones – Repeal of Fines

The Law Office legally advised that no drug-loitering free zones be approved or enforced pursuant to City Code Section 11.12.067. Furthermore, they advised that the Code Section be immediately removed from the City Code as unconstitutional and inconsistent with other local and national laws.

Ordinance O-49-20 repeals and removes City Code Section 11.12.067 – Loitering in drug-loitering free zones.

Resolution R-65-20 removes the fines for violations of City Code Section 11.12.067 from the Fiscal Year 2012 Fines Schedule.
