

FISCAL IMPACT NOTE

Resolution: R-16-21

Title: Fowlkes Community Park

Date: April 22, 2021

This resolution designates the City property at 1200 McGuckian Street as a Pocket Park and renames the park as Fowlkes Community Park. It also states that two to three benches, a marker, and any other park amenities as approved by the Council are to be installed in the park. The cost of each bench is approximately \$800 and the cost of a marker is approximately \$200.

Generally, Recreation and Parks receives donations to pay for these types of expenses. If no donation are available, the City will incur at least \$2,600 in total costs. Depending on the availability of funding, City staff may request a budget adjustment for these items.
