Subject: R-20-21: Water Service Agreement – Lidl US Operations, LLC

This resolution authorizes the provision of water service to a new customer outside the City limits. City Code Section 16.08.050A requires the passage of a resolution by City Council authorizing the extension of water service outside the City limits. Lidl US Operations, LLC plans to build a grocery store/food market and parking lot on an unimproved parcel of land along Bay Ridge Road in Anne Arundel County. The property does not currently have water service. The City's Director of Public Works has issued a determination that existing facilities, capacity and infrastructure are sufficient to serve Lidl US Operations, LLC's property in addition to existing and reasonably foreseeable City users. It is recommended that this resolution be approved.
