City Council Citation Phyllis Adams

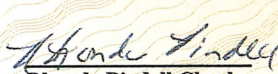

On behalf of the residents of the City of Annapolis, we confer this City Council Citation in recognition of your service as the founder and visionary behind the Annapolis Juneteenth Festival. In June of 2021, the celebration you envisioned was realized as a full weekend of events and activities. You began a year prior by assembling a team to help with financing, marketing, and organization. The plan to include a gala, parade, and festival gathered steam over the months, collecting sponsors and talent. Word spread and, as the City began to emerge from the COVID-19 pandemic, enthusiasm grew. People came from all corners to celebrate America's Second Independence Day right here in Annapolis. We sincerely thank you for all of your hard work to realize the event and we look forward to future Juneteenth events in our City.

Given Under Our Hands and the Great Seal of the City of Annapolis this 26th day of July, 2021.
