Statement of interest – Why should you be appointed to this board/commission?

I am interested in the Transportation Board. I have finance experience from two sectors of the transportation industry -- Amtrak, Passenger Rail, and Avis/Budget, Car Rental.

I use public transportation to commute to Washington DC from Annapolis -- usually Dillon's Bus that I walk to from my home and pick up at Calvert and West, and sometimes by driving to New Carrollton and picking up the MARC or Amtrak. My home on Prince George requires street parking.

I've got quite a few touchpoints that make me sensitive to community need. I also have an acute analytical perspective for the pros and cons, the costs and benefits of various programs and would bring analytical rigor to decision making.
