CITY COUNCIL OF THE City of Annapolis

Resolution R-25-20

Introduced by: Mayor Buckley

Co-sponsored by: Alderwoman Pindell Charles and Alderwoman Tierney

A RESOLUTION concerning

Small Business Recovery Task Force

FOR the purpose of establishing a temporary emergency Task Force commissioned to focus on the experiences that Annapolis businesses are facing in the time of the COVID-19 declarations protecting citizen health.

WHEREAS, Governor Lawrence J. Hogan, Jr., pursuant to the Maryland Constitution and Title 14 of the Public Safety Article, proclaimed a state of emergency and a catastrophic health emergency for the entire State of Maryland on March 5, 2020, which was renewed on March 17, 2020, to control and prevent the spread of COVID-19; and

WHEREAS, on March 11, 2020, the World Health Organization declared the COVID-19 outbreak to be a

pandemic; and

WHEREAS, the United States Centers for Disease Control and Prevention and the Maryland Department of Health recommend social distancing to reduce the spread of COVID-19; and

WHEREAS, Mayor Gavin Buckley declared a local state of emergency on March 12, 2020, to control and prevent the spread of COVID-19 within the City of Annapolis, and the local state of emergency still exists; and

WHEREAS, to reduce the spread of COVID-19, Governor Hogan issued an Executive Order on March 16, 2020, closing all restaurants and bars in the State of Maryland to the general public; and

WHEREAS, as of March 23, 2020, Governor Hogan ordered closed all non-essential businesses in the State of Maryland; and

WHEREAS, Governor Hogan issued guidance recommending that people at higher risk of severe illness should stay home and away from large groups of people as much as possible, including public places; and

WHEREAS, this guidance is appropriate for public health reasons, but it has economic impacts on local businesses, nonprofit organizations, and workers in businesses in the City of Annapolis; and

WHEREAS, local businesses have recently reported laying off employees, experiencing severe revenue losses, dealing with lost business, and seeing major declines in foot traffic as thousands of employees are being asked to work from home; and

WHEREAS, these impacts are being felt across all industry sectors, including retail, restaurant, hospitality, transportation, logistics, arts and culture, and many more; and

WHEREAS, it is important to keep the economic impact from having long-term, dynamic and unpredictable local and regional consequences, necessitating that the City act and plan accordingly; and

WHEREAS, Mayor Buckley and a number of City departments have convened meetings with partners to strategize immediate interventions for affected local businesses and displaced workers.
