WHEREAS, in 2020, HACA initiated a strategic review of redevelopment opportunities for the Phase II portfolio, including Harbour House, Eastport Terrace, Robinwood, and Bloomsbury Square, which led to HACA and the City partnering to win a Choice Neighborhood Planning Grant; and

WHEREAS, the City Council passed Resolution 17-21, "Housing Authority of the City of Annapolis - Choice Neighborhood Planning Grant" for the purpose of partnering with HACA in the application for a U.S. Department of Housing and Urban Development, Choice Neighborhood Planning Grant, and approving a matching contribution of the application filing fee; and

WHEREAS, HACA with the City as a co-applicant, were awarded a Choice Neighborhood Planning Grant to be used to redevelop Eastport Terrace; and

WHEREAS, the City of Annapolis continues to affirmatively pursue programs that have substantive effects on affordable housing and will support negotiations and engagement with relevant county, state, and federal officials, as well as prioritize HACA development projects consistent with the *White v. City of Annapolis, et al.* Consent Decree; and

WHEREAS, in accordance with the terms of the Consent Decree in Section VI, paragraph 26, the City is required to "prepare a resolution stating its desire to prioritize all HACA projects within 90 days of the effective date of the Consent Decree"; and

WHEREAS, the City of Annapolis defines the beginning of the redevelopment process to be the application of HACA to the City's Planning Commission for necessary approvals as the first step in redevelopment and the trigger event for the Consent Decree obligations to HACA properties in redevelopment; and

WHEREAS, the City of Annapolis continues to believe that the Plaintiffs, and all residents of the City, deserve safe and decent housing.
