~~WHEREAS, thousands of Annapolitans expressed outrage in fear of the Supreme Court's final decision~~

WHEREAS, the Supreme Court case of *Planned Parenthood v. Casey*, re-emphasized the right to an abortion, upholding the "essential holding" in *Roe* that Constitutional protection of the woman's decision to terminate her pregnancy derives from the Due Process Clause of the Fourteenth Amendment, which declares that no State shall "deprive any person of life, liberty, or property, without due process of law - liberty being the controlling word; and

WHEREAS, in 1992 61% of Marylanders voted to support SB 162 which made clear the State may not interfere with the decision of a woman to terminate a pregnancy before fetal viability. Protecting a women's right to abortion in the State of Maryland; and

WHEREAS, The Supreme Court in the *Roe v. Wade* decision ruled that the Due Process Clause of the Fourteenth Amendment to the U.S Constitution, enshrines a right to privacy that ultimately protects a pregnant woman's liberty to choose to have an abortion; and

WHEREAS, in a poll conducted by the Pew Research Center, 64% of Marylanders 18 years of age and older agreed that abortion should be legal in all or most cases, and

WHEREAS, the number of abortion clinics and access to prenatal care has diminished in the state in recent years, going from 52 in 1982 to 51 in 1992, and now in 2022 less than 20; and

WHEREAS, the late Speaker of the House the Honorable Michael E. Busch stated in 2019, "Given the current national climate, the change in the makeup of the Supreme Court and the alarming increase in anti-choice legislation introduced in Maryland, it is important to protect this right in Maryland's constitution."
