The Tenant shall not be deemed to have defaulted under this Lease unless and until (i) the Tenant is given written notice of the alleged material default in accordance with the notice provisions of this Lease, and (ii) the condition constituting the alleged material default is not cured within thirty (30) calendar days after such notice is given; provided, however, in the event the condition complained of is not capable of being cured within such thirty (30) calendar days, the Tenant shall have such additional time as required if within such thirty (30) calendar day period the Tenant commences the cure and diligently prosecutes same to completion. b. In case of any loss of or damage to the Premises as the result a Force Majeure Event, the City in its sole and absolute discretion may determine whether or not, and to what extent, to repair or restore any of the Premises. If the City decides to repair or restore, and any portion of the Premises remains suitable for the Tenant's use, then the Tenant shall be entitled to utilize that portion of the Premises. If the City decides not to repair and restore the Premises, then the Tenant may in its discretion elect to remain on the Premises under the provisions of this Lease or to terminate this Lease, it being the Tenant's sole responsibility to restore and/or repair such portions of the Premises as it may elect to undertake. If any portion of the Premises is rendered unusable during the Term as a result of a Force Majeure Event, the Rent due and payable shall be reduced in direct proportion to the area of the Premises rendered unusable. The Tenant shall present documentation including measurements and calculations to support any claim of reduced Premises. In addition, the Tenant shall be entitled to a credit against Rent for all reasonable and documented costs in performing repairs to the Premises as a result of any such Force Majeure Event.

c. The City and the Tenant shall work cooperatively to determine possible alternatives, solutions and/or remedies to any prevention, restriction, or delay that may occur.

d. The City shall notify the Tenant within twenty-four (24) hours of the occurrence of a Force Majeure Event and shall, as soon as possible thereafter, advise the Tenant of a good faith estimate of the time that will be required before the delay is ended.

e. Notwithstanding the language herein, or any Force Majeure Event, or other weather condition or wind speed, the Tenant shall not be entitled to (i) any pro-rated Rent or (ii) change in Use Dates or Term if the Tenant is unable or unwilling to use the Premises during the specified Use Dates or Term due to such Force Majeure Event, weather condition, or wind speed.

Any approved sign shall not be permanently affixed or anchored to the sidewalk or street, and shall not obstruct pedestrian or vehicular traffic or visibility, or adversely affect the safety of pedestrian or vehicular traffic. That sign shall not have any animated, flashing, moving, or rotating components. That sign shall be no larger than thirty-two square feet. Any damage caused by such sign shall be invoiced to the Tenant as Additional Rent.

The Tenant, at its sole cost and expense, shall promptly comply with and do all things required by any notice served upon it or upon the City in relation to the Premises or any part thereof, from any of the departments or agencies of the City, a county, the State of Maryland, or the United States, if the same shall be caused by the Tenant's use of the Premises. The Tenant shall pay all costs, expenses, claims, fines, penalties, and damages that may in any manner arise out of the failure of the Tenant to comply.

b. A license for peddlers, hawkers, and itinerant merchants pursuant to Chapter 7.40 of the Annapolis City Code is not required to be obtained by the Tenant during the Term of this Lease and/or for the purpose of using the Premises.

17. Insurance; U.S. Coast Guard Inspection.

a. The Tenant shall for the duration of this Lease maintain and pay the premiums for a policy of insurance covering liability for personal injury and property damage arising out of its business and operations pursuant to this Lease in the amount of no less than One Million Dollars (\$1,000,000.00) per person for bodily injury and property damage and Two Million Dollars (\$2,000,000.00) for each occurrence in the aggregate.

b. Only if required by law, the Tenant shall have adequate workers' compensation insurance covering its employees who enter and/or work on the Premises, and in no event shall the coverage in such policy be less than One Million Dollars (\$1,000,000.00) per person for accidental bodily injury and occupational disease.

c. The insurance policy or policies shall specifically name the "City of Annapolis, its elected officials, appointees, directors, employees, agents, contractors and representatives" as additional insureds.

d. The Tenant's insurer or insurers shall be authorized to write the required insurance, approved by the Insurance Commissioner of the State of Maryland, and subject to the approval of the City Attorney. The form and substance of the Tenant's insurance policy or policies shall also be subject to reasonable approval by the City Attorney, and shall be submitted to the City Attorney at 160 Duke of Gloucester Street, Annapolis, Maryland 21401, with a copy to the City's Harbormaster at 1 Dock Street, Annapolis, Maryland 21401, for such approval not less than thirty (30) calendar days prior to the Tenant's occupancy of the Premises.

e. The certificate for each insurance policy or policies shall contain a statement on its face that the insurer will not cancel the policy or fail to renew the policy, whether for nonpayment of premium, or otherwise, whether at the request of the Tenant or for any other reason, except after thirty (30) calendar days advance written notice mailed by the insurer or the Tenant to the City Attorney, and that such notice shall be transmitted postage prepaid, return receipt requested.

f. The obligations of the Tenant under this Paragraph 17 are part of but do not limit or satisfy the Tenant's obligations under the remainder of this Lease.

g. As required by law, the Tenant shall obtain and maintain throughout the Term of this Lease a valid and current United States Coast Guard certificate of inspection for the Vessels to be used at the Premises, and shall provide a copy of such certificate(s) to the City at the start of the Term and as often as may be requested by the City.

18. Surrender of Premises.

a. On the last day or earlier termination of this Lease, the Tenant shall vacate the Premises and leave it in good condition and repair, normal wear and tear excepted. If the Premises are not surrendered

when required, the Tenant shall indemnify, defend and hold the Indemnified Parties (as defined in Paragraph 12 of this Lease) harmless against loss or liability resulting from the delay by the Tenant in vacating the Premises, including, without limitation, any claims made by any succeeding tenant or other occupant founded on such delay. Any holding over with the consent of the City after the termination of this Lease shall be construed to be a tenancy from month-to-month upon the same terms and conditions as provided in this Lease, to the extent applicable.

b. On the last day or earlier termination of this Lease, the Tenant shall, within thirty (30) calendar days and at its own cost and expense, dismantle and remove all of its personal property from the Premises. Any such property not removed at the expiration of this Lease, and the Tenant's continued failure to remove the same within thirty (30) calendar days after receipt of notice from the City, shall be deemed abandoned and, at the election of the City, shall become the property of the City without payment of any kind to the Tenant, without increasing the City's liability to the Tenant, and for any disposition of it as the City decides to make.

c. Within ten (10) calendar days of vacating, the City shall tour the Premises, with the Tenant present if possible, to determine the condition of the Premises. Any items determined to be in need of correction or repair shall be corrected or repaired by the City, and shall be invoiced by the City and paid by the Tenant within thirty (30) calendar days of such invoicing.

19. Indemnification.

a. The Tenant shall indemnify, defend, and hold harmless the Indemnified Parties (as defined in Paragraph 12 of this Lease) from and against any and all actions, suits, causes of action, judgments, claims, and liabilities for loss, injury, damages and/or expenses suffered or alleged to have been suffered by any person or to any property due to or alleged to be due to an act, omission or the negligence of the Tenant, its officers, employees, contractors or other agents, directly or indirectly, in connection with this Lease or the use and occupancy of the Premises or any part of the Premises, whether or not the result of negligence or other fault, during the Term of this Lease.

b. In the event the City is required to defend any such actions, suits, causes of action, judgments, claims or other liabilities, the City shall be entitled to participate in its defense, either in whole or in part as it so deems, and to select its own attorneys to provide a defense at the sole expense, for purposes of attorney fees and litigation costs, of the Tenant.

c. The Tenant shall reimburse the City, within thirty (30) calendar days after demand for such reimbursement, for any damage done to the City's buildings, facilities, equipment or property caused by an act, omission or the negligence of the Tenant, its officers, employees, contractors or other agents, during the Term, or the Tenant's use and occupancy of the Premises or any part of the Premises, except for that caused by reasonable and ordinary wear and tear. The Tenant may request the City to provide reasonably sufficient documentation or other proof of such damage prior to any reimbursement. If the Tenant disputes any request for reimbursement, it may appeal such request to the City Manager and/or his/her authorized designee for review and reconsideration.

20. Impairment of the City's Title.

The Tenant shall not have the right, power, or permission to do any act or to make any agreement that may create, give rise to, or be the foundation for, any right, title, interest, lien, charge, or other encumbrance on the estate of the City in the Premises. The Tenant shall not permit any part of the Premises to be used by any person or persons or by the public at any time or times during the Term of this Lease, in such manner as might tend to impair the City's title to or interest in the Premises, or in such manner as might make possible a claim or claims of adverse use, adverse possession, prescription, dedication, or other similar claims of, in, to, or with respect to the Premises.

21. Immunities; Reservation of Governmental Authority.
