RECITALS

For convenience of reference, the City of Annapolis, a municipal body corporate and politic of the State of Maryland, is hereinafter sometimes referred to as the “City” or as “Annapolis”.

The authority for the powers herein exercised is contained in Article VII, Section 11 of the Charter of the City (the “Charter”) and in Sections 19-301 through 19-309, inclusive, of the Local Government Article of the Annotated Code of Maryland, as amended,, such authority being hereinafter sometimes referred to collectively as the “Enabling Act”.

The Enabling Act authorizes and empowers the City to borrow money for any proper public purpose and to evidence such borrowing by the issuance and sale of its general obligation bonds in accordance with the procedure prescribed by the Enabling Act, subject to the limitation imposed by the Charter that no bonds shall be issued by the City if, by the issuance thereof, the total bonded indebtedness of the City incurred, less the amount of sinking funds established for the retirement thereof, would then exceed the sum of (i) 4% of the assessed value of all real property in the City taxable for municipal purposes and (ii) 10% of the assessed value of all personal property in the City taxable for municipal purposes.

The Charter further provides that, in computing compliance with such limitation, outstanding bonds or other indebtedness of the City issued pursuant to the authority of any public local law enacted by the General Assembly of Maryland prior to January 1, 1955, or pursuant to the authority of any public general law of the State of Maryland, other than the Enabling Act, together with tax anticipation notes issued pursuant to the Enabling Act, revenue bonds payable as to principal and interest solely from the revenues from revenue-producing projects, and short-term obligations issued pursuant to certain sections of the Charter, shall not be taken into account.

Pursuant to Article VII, Section 7 of the Charter, the City Council of the City (the “City Council”), may in its discretion hold a referendum on any such bond issue or may be required to do so as a result of a proper petition of registered voters filed for the purpose after the giving of notice to the City as prescribed in the Charter.

The City proposes to spend the proceeds of the bonds authorized pursuant to this Ordinance to (i) finance and refinance the costs of certain public projects of the City, subject to the provisions of this Ordinance and (ii) pay the costs of issuing such bonds.

The Charter contains no limitations upon the rate at which ad valorem taxes may be levied by the City for the payment of the principal of and interest on said indebtedness.

Since the adoption of Article XI-E as an amendment of the Constitution of Maryland, the General Assembly of Maryland has passed no law proposing a limitation upon the rate at which taxes may be levied by the City or a limitation upon the amount of bonded indebtedness which may be incurred by the City different from that set forth in the Charter.

NOW, THEREFORE, BE IT ESTABLISHED AND ORDAINED BY THE ANNAPOLIS CITY COUNCIL, that:

SECTION 1. All terms used herein which are defined In the Recitals hereof shall have the meanings

given such terms therein.

SECTION 2. It is in the best interest of the City to borrow money and incur indebtedness and the City is authorized and empowered to issue and sell, upon its full faith and credit, one or more series of its general obligation, fully-registered bonds in the aggregate principal amount not to exceed Eleven Million Dollars (\$11,000,000), to be known as the “Public Improvements Bonds, 2016 Series” (the “Bonds”) or such other designation as deemed appropriate by the Mayor of Annapolis (the “Mayor”) for the purposes of financing and refinancing the costs of the General Fund public projects listed below (the “Projects”):

<u>TITLE</u>	<u>BOND FUNDING</u>
City-Wide Radio Replacement	\$1,700,000
General Roadways	2,000,000
Energy Performance Audit Recommendations	5,000,000
City Facility Improvements	<u>800,000</u>
Total	\$9,500,000

The costs of the Projects shall include (without limitation) the costs of the planning, construction, reconstruction, demolition, improvement, refurbishing, renovation, restoration, extension, alteration, installation, repair, acquisition, conversion and modernization of structures; the acquisition of structures and sites for structures; the acquisition of rights of way for roads; architectural and engineering services, including preparation of plans, drawings and specifications; development and restoration of grounds; and all customary and necessary furnishings and fixed permanent equipment for structures.

SECTION 3. The City hereby covenants that any Bonds issued hereunder shall comply with all limitations of the Charter and that no Bonds shall be issued by the City if, by the issuance thereof, the total bonded indebtedness of the City incurred, less the amount of sinking funds established for the retirement thereof, would then exceed the sum of (i) 4% of the assessed value of all real property in the City taxable for municipal purposes and (ii) 10% of the assessed value of all personal property in the City taxable for municipal purposes.

SECTION 4. The Bonds authorized by this Ordinance shall be dated the date of their delivery, shall be fully-registered bonds without coupons in the denomination of Five Thousand Dollars (\$5,000) each or any integral multiple thereof and shall bear interest at the interest rate or rates fixed at the time of the awarding of the Bonds in accordance with an executive order of the Mayor and the provisions of this Ordinance as hereinafter provided. Interest on the Bonds shall be payable semiannually on the dates and in the years as may be determined by the Mayor in an executive order. The Bonds shall mature, subject to the option of prior redemption, in annual installments, including any mandatory sinking fund installments, in the years as shall be determined by the Mayor pursuant to an executive order; provided however, that the final maturity of the Bonds shall not exceed 30 years from the date of delivery of the Bonds. Each Bond shall bear interest from the interest payment date next preceding the date on which it is authenticated, unless authenticated upon an interest payment date, in which event it shall bear interest from such interest payment date, or unless authenticated prior to the first interest payment date, in which event it shall bear interest from the date of the Bonds; provided, however, that if at the time of authentication of any bond interest is in default, such bond shall bear interest from the date to which interest has been paid.

SECTION 5. Certain of the Bonds may be subject to redemption prior to maturity as may be determined by the Mayor in an executive order. The Bonds so subject to redemption, if any, the redemption

dates and the redemption prices shall be specified in an executive order by the Mayor.

The Bonds shall be redeemed only in integral multiples of \$5,000. If less than all of the outstanding Bonds shall be called for optional redemption, the City shall choose the maturities of the Bonds to be redeemed and the principal amount of each such maturity to be redeemed, in its sole discretion; and if any such maturity consists of term Bonds, the City shall choose the mandatory sinking fund redemption installments of such term Bonds to be reduced and the amount of each such reduction, in its sole discretion. If less than all of the Bonds of any one maturity are called for redemption, the particular bonds to be redeemed from such maturity shall be selected by lot by the bond registrar for the Bonds (the “Bond Registrar”) in such manner as the Bond Registrar in its sole discretion may determine or under the procedures for book-entry bonds if the Bonds are under a book-entry system.

When less than all of a Bond in a denomination in excess of \$5,000 shall be so redeemed, then upon the surrender of such Bond, there shall be issued to the registered owner thereof, without charges, for the unredeemed balance of the principal amount of such Bond, at the option of such owner, Bonds in any of the authorized denominations, the aggregate face amount of such Bonds not to exceed the unredeemed balance of the Bond so surrendered, and to bear the same interest rate and to mature on the same date as said unredeemed balance.

If the City elects to redeem all or a portion of the Bonds outstanding, it shall give a redemption notice by first class mail, postage prepaid, at least 30 days prior to the date fixed for redemption to each registered owner appearing on the books kept by the Bond Registrar. Notwithstanding the foregoing, so long as all of the Bonds are registered in the name of Cede & Co., as nominee for the Depository Trust Company, New York, New York (“DTC”), such notice shall be given by a secure means (e.g., legible facsimile transmission, registered or certified mail or overnight express delivery) in a timely manner designed to assure that such notice is in DTC possession no later than the close of business on such thirtieth day: provided, however, that the failure to mail the redemption notice or any defect in the notice so mailed or in the mailing thereof shall not affect the validity of the redemption proceedings. The redemption notice shall state (i) whether the Bonds are to be redeemed in whole or in part and, if in part, the maturities and numbers of the Bonds to be redeemed, (ii) the date fixed for redemption and the redemption price or prices, (iii) that the Bonds to be redeemed shall be presented for redemption at the office of the Bond Registrar and (iv) that interest on the Bonds called for redemption shall cease to accrue on the date fixed for redemption.

From and after the date fixed for redemption, if notice has been duly and properly given and if funds sufficient for the payment of the redemption price of the Bonds called for redemption plus accrued interest due thereon are available on such date, the Bonds so called for redemption shall become due and payable at the redemption price or prices provided for redemption of such Bonds on such date, interest on the Bonds shall cease to accrue and the registered owners of the Bonds so called for redemption shall have no rights in respect thereof except to receive payment of the redemption price plus accrued interest to the date fixed for redemption. Upon presentation and surrender of a Bond called for redemption in compliance with the redemption notice, the Bond Registrar shall pay the redemption price of such bond plus accrued interest thereon to the date fixed for redemption. If bonds so called for redemption are not paid upon presentation and surrender as described above, such bonds shall continue to bear interest at the rates stated therein until paid.

SECTION 6. The Bonds shall be executed in the name of the City and on its behalf by the Mayor. The signature of the Mayor shall be imprinted on the Bonds manually or by facsimile and a facsimile of the corporate seal of Annapolis shall also be imprinted thereon, attested by the manual signature of the City Clerk of Annapolis (the “City Clerk”).

In the event any official whose signature shall appear on the Bonds shall cease to be such official prior to the delivery of the Bonds, or in the event any such official whose signature shall appear on the Bonds shall have become such after the date of issue thereof, the Bonds shall nevertheless be valid and legally binding obligations of Annapolis in accordance with their terms.

No Bond shall be valid or obligatory for any purpose unless and until the certificate of authentication substantially in the form set forth in the form of the Bonds in Section 8 of this Ordinance shall have been duly executed by the Bond Registrar, and such executed certificate of the Bond Registrar upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered pursuant to this Ordinance. The Bond Registrar's certificate of authentication on any Bond shall be deemed to have been executed by it if manually signed by an authorized signer of the Bond Registrar, but it shall not be necessary that the same person sign the certificate of authentication on all of the Bonds issued hereunder.

All Bonds shall be issued as fully-registered bonds without coupons and shall be registered in the name or names of the owner or owners thereof; on books kept for such purpose at the principal office of the Bond Registrar. The Bonds initially will be issued in book-entry form without any physical distribution of certificates made to the public. DTC will act as securities depository for the Bonds and the Bonds will be registered in the name of DTC's partnership nominee, Cede & Co. The City reserves the right to terminate maintenance of the Bonds in a book-entry only system and to issue fully certificated bonds. The Mayor or his designee is hereby authorized to appoint a financial institution to act as the Bond Registrar and as paying agent (the "Paying Agent") for the Bonds, unless the Mayor determines after consulting with the financial advisor to the City (the "Financial Advisor") that the City shall act as the Bond Registrar or the Paying Agent or both. Payment of the principal of and interest on the Bonds shall be made to the person appearing on the registration books maintained by the Bond Registrar as the registered owner thereof, such principal to be payable at the principal office of the Paying Agent upon presentation and surrender of such bonds as the same become due and payable, and such interest to be payable by check mailed by the Paying Agent to the persons in whose names the bonds are registered on the regular record date which shall be the fifteenth day of the month immediately preceding each regular interest payment date, or such other day specified in the bond (the "Regular Record Date"), at the registered owner's address as shown on the registration books maintained by the Bond Registrar.

SECTION 7. Any interest on any Bonds which is payable but is not punctually paid or provision for the payment of which has not been made ("Defaulted Interest") shall forthwith cease to be payable to the registered owner of such Bonds on the relevant Regular Record Date solely by virtue of such registered owner having been such registered owner; and such Defaulted Interest may be paid by the City, at its election in each case, as provided in paragraph (1) or (2) below:

(1) The City may elect to make payment of any Defaulted Interest on the Bonds to the persons in whose names such Bonds are registered at the close of business on a record date for the payment of such Defaulted Interest (the "Special Record Date"), which shall be fixed in the following manner. The City shall notify the Paying Agent in writing of the amount of Defaulted Interest proposed to be paid on the Bonds and the date of the proposed payment (which date shall be such as will enable the Paying Agent to comply with the next sentence hereof), and at the same time the City shall deposit or cause to be deposited with the Paying Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Paying Agent for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as provided in this paragraph. Thereupon the Paying Agent shall fix a Special Record

Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment after the receipt by the Paying Agent of the notice of the proposed payment. The Paying Agent shall promptly notify the City of such Special Record Date and, in the name of the City, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each registered owner at his address as it appears in the registration books maintained by the Bond Registrar not less than 10 days prior to such Special Record Date. The Paying Agent may, in its discretion, in the name of the City, cause a similar notice to be published at least once in a newspaper of general circulation in Annapolis, Maryland but such publication shall not be a condition precedent to the establishment of such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the registered owners of the Bonds as of the close of business on such Special Record Date.

(2) The City may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Bonds may be listed, and upon such notice as may be required by such exchange, if after notice given by the City to the Paying Agent of the proposed payment pursuant to this paragraph, such payment shall be deemed practicable, and approved in writing, by the Paying Agent.

SECTION 8. Except as provided hereinafter or in other ordinances of the City adopted prior to the issuance and delivery of the Bonds, all Bonds shall be substantially in the following form, with appropriate insertions as therein indicated and such other modifications as shall be approved by the Mayor, which form and all of the covenants therein contained are hereby adopted by Annapolis as and for the form of obligation to be incurred by Annapolis, and said covenants and conditions are hereby made binding upon Annapolis, including the promise to pay therein contained:

A zero rate may not be named. No Bond shall bear more than one rate of interest which rate shall be uniform for the life of such Bond.

Basis of Award

The Mayor of the City will not accept and will reject any bid for less than all of the Bonds. The City will award all of the Bonds to one bidder. The City reserves the right to reject any and all bids and to waive any irregularities in any of the bids. The judgment of the City shall be final and binding upon all bidders with respect to the form and adequacy of any proposal received and as to its conformity with the terms of this Notice of Sale. The Bonds will be awarded to the bidder naming the lowest true interest cost (TIC) for the Bonds in any legally acceptable proposal and offering to pay not less than par. The lowest true interest cost with respect to the Bonds will be determined by doubling the semiannual interest rate, compounded semiannually, necessary to discount the debt service payments from the payment dates to the date of the

Bonds and to the amount bid.

Where the proposals of two or more bidders result in the same lowest true interest cost for any Bonds, such Bonds may be apportioned between such bidders, but if this shall not be acceptable, the City shall have the right to award all of such Bonds to one bidder. There will be no auction. The right is reserved to the City to reject any or all proposals and to waive any irregularity or informality in any proposal. The City's judgment shall be final and binding upon all bidders with respect to the form and adequacy of any proposal received and as to its conformity to the terms of this Notice of Sale. Any award of the Bonds may be made as late as ____ p.m., prevailing Eastern Time, on the sale date. All bids remain firm until an award is made. Upon notice of such award, the winning bidder shall advise the City of the initial reoffering prices to the public of each maturity of the Bonds and the names of the members of the underwriting groups.

In view of the foregoing, no action shall be taken by Annapolis pursuant to this Ordinance for a period of 10 days following its passage. If, within such ten-day period, the notice above described is filed as aforesaid, then no action shall be taken by Annapolis pursuant to this Ordinance for a period of 20 days following the filing of such notice. If, within such twenty-day period, a petition for referendum, as above-described, shall be filed as aforesaid, then no action shall be taken by Annapolis under this Ordinance unless and until the Mayor shall receive written advice from the City Attorney and the Board of Supervisors that such referendum petition does not meet the requirements of the Charter or unless and until the referendum requested in such petition shall be duly held in accordance with law and the Board of Supervisors shall certify to Annapolis that, in the election at which such referendum is held, a majority of the registered voters of Annapolis voting on the question referred duly cast their ballots in favor of the issuance of the Bonds hereby authorized. If this Ordinance shall be ratified or approved on any such referendum, then the Mayor and the City Clerk may proceed with the issuance of the Bonds hereby authorized, without further action by Annapolis.

In addition to the insertions and variations prescribed by this Ordinance, the Mayor is hereby authorized to make such further modifications in such forms as will not alter the substance of such forms. In connection with the issuance of any Bonds pursuant to this Ordinance, the City is hereby authorized to enter into one or more agreements as the Mayor shall deem necessary or appropriate for the issuance, sale, delivery or security of such Bonds, which may include (without limitation) (i) underwriting, purchase or placement agreements for Bonds sold at private (negotiated) sale in accordance with the provisions of this Ordinance; (ii) trust agreements with commercial banks or trust companies providing for the issuance and security of such Bonds; (iii) any dealer, remarketing or similar agreements providing for the placement or remarketing of such Bonds; (iv) agreements providing for any credit or liquidity facilities supporting any Bonds; (v) agreements with commercial banks or trust companies providing for the deposit of proceeds of any Bonds; and (vi) continuing disclosure agreements, including any such agreements required to enable the underwriters of any Bonds to meet the requirements of paragraph (b)(5) of Rule 15c2-12 promulgated by the United States Securities and Exchange Commission (the "Rule"). Each such agreement shall be in such form as shall be determined by the Mayor by executive order. The execution and delivery of each such agreement by the Mayor shall be conclusive evidence of the approval of the form of such agreement on behalf of the City.

SECTION 15. The provisions of this Section 15 shall only be applicable with respect to Bonds which are issued pursuant to this Ordinance with the expectation that interest on such Bonds will be excludable from gross income for federal income tax purposes.

The Mayor and the Finance Director shall be the officers of the City responsible for the issuance of such Bonds within the meaning of the “Arbitrage Regulations” (defined herein).

The Mayor and the Finance Director shall also be the officers of the City responsible for the execution and delivery (on the date of issuance of such Bonds) of a certificate of the City (the “Tax Certificate and Compliance Agreement”) which complies with the requirements of Section 148 of the Internal Revenue Code of 1986, as amended (“Section 148”), and the applicable regulations thereunder (the “Arbitrage Regulations”), and such officials are hereby authorized and directed to execute the Tax Certificate and Compliance Agreement and to deliver the same to Bond Counsel on the date of the issuance of such Bonds.

The City shall set forth in the Tax Certificate and Compliance Agreement its reasonable expectations as to relevant facts, estimates and circumstances relating to the use of the proceeds of such Bonds, or of any moneys, securities or other obligations to the credit of any account of the City which may be deemed to be proceeds of such Bonds pursuant to Section 148 or the Arbitrage Regulations (collectively, “Tax-Exempt Bond Proceeds”). The City covenants with each of the holders of any of such Bonds that the facts, estimates and circumstances set forth in the Tax Certificate and Compliance Agreement will be based on the City’s reasonable expectations on the date of issuance of such Bonds and will be, to the best of the certifying officials’ knowledge, true and correct as of that date.

The City covenants with each of the registered owners of any of such Bonds that it will not make, or (to the extent that it exercises control or direction) permit to be made, any use of the Tax-Exempt Bond Proceeds which would cause such Bonds to be “arbitrage bonds” within the meaning of Section 148 and the Arbitrage Regulations. The City further solemnly covenants that it will comply with Section 148 and the regulations thereunder which are applicable to such Bonds on the date of issuance of such Bonds and which may subsequently lawfully be made applicable to such Bonds as long as such Bonds remain outstanding and unpaid. The Mayor and the Finance Director are hereby authorized and directed to prepare or cause to be prepared and to execute any certification, opinion or other document, including, without limitation, the Tax Certificate and Compliance Agreement, which may be required to assure that such Bonds will not be deemed to be “arbitrage bonds” within the meaning of Section 148 and the regulations thereunder.

The City further covenants with each of the registered owners of any of such Bonds (i) that it will not take any action or (to the extent that it exercises control or direction) permit any action to be taken that would cause such Bonds or a portion of such Bonds to be “federally guaranteed” within the meaning of Section 149 (b) of the Internal Revenue Code of 1986, as amended, and (ii) that it will not make, or (to the extent that it exercises control or direction) permit to be made, any use of the proceeds of such Bonds or a portion of such proceeds that would cause such Bonds or a portion of such Bonds to be “private activity bonds” within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended.

The Mayor may make such covenants or agreements in connection with the issuance of such Bonds as he shall deem advisable in order to assure the registered owners of such Bonds that interest thereon shall be and remain excludable from gross income for federal income tax purposes and such covenants or agreements shall be binding on the City so long as the observance by the City of any such covenants or agreements is necessary in connection with the maintenance of the exclusion of the interest on such Bonds from gross income for federal income tax purposes. The foregoing covenants or agreements may include such covenants

or agreements on behalf of the City regarding compliance with the provisions of the Internal Revenue Code of 1986, as amended, as the Mayor shall deem advisable in order to assure the registered owners of such Bonds that the interest thereon is and shall remain excludable from gross income for federal income tax purposes, including (without limitation) covenants or agreements relating to the investment of Tax-Exempt Bond Proceeds, the payment of certain earnings resulting from such investment to the United States, limitations on the times within which, and the purposes for which, Tax-Exempt Bond Proceeds may be expended, or the use of specified procedures for accounting for and segregating Tax-Exempt Bond Proceeds.

Any covenant or agreement made by the Mayor pursuant to this section may be set forth in or authorized by the Tax Certificate and Compliance Agreement or an order executed by the Mayor.

SECTION 16. The Mayor or his designee is expressly authorized to approve the form of, and execute and deliver and on behalf of the City, a continuing disclosure agreement to assist bidders in complying with the Rule.

SECTION 17. This Ordinance shall take effect from the date of its approval by the Mayor, on or following the date of its final adoption and, thereafter, within not more than three calendar days of such approval, notice of the adoption of this Ordinance shall be duly given by publication of the title hereof at least once in "The Capital," or another newspaper published and of general circulation in the City.
