Transit Development Plan - For the purpose of approving the City of Annapolis Transit Development Plan.

**CITY COUNCIL OF THE
City of Annapolis**

Resolution 44-19

Introduced by: Mayor Buckley

90-day Rule: 1/13/20

Transit Development Plan

FOR the purpose of approving the City of Annapolis Transit Development Plan.

WHEREAS, the City of Annapolis Transit Development Plan was completed in April of 2019; and

WHEREAS, the purpose of the Transit Development Plan is to provide City staff and elected officials with a detailed framework for identifying transit needs within the City over the next five years; and

WHEREAS, the Transit Development Plan provides recommended service approaches to meet the identified needs and the financial resources required to implement the proposed service recommendations; and

WHEREAS, the Maryland Transit Administration requires each locally operated transit system in Maryland to update its Transit Development Plan every five years subject to funding availability; and

WHEREAS, City Council approval of the Transit Development Plan is required before the Transit Development Plan may be submitted to the Maryland Transit Administration Office of Local Transit Support.

NOW, THEREFORE,

BE IT RESOLVED BY THE ANNAPOLIS CITY COUNCIL that the 2019 Transit Development Plan attached hereto and incorporated herein is approved.
