Subject: Ordinance O-8-26

Pursuant to Annapolis Code of Ordinances 6.16.030 - Capital improvement program and budget sections C and D, the Planning Commission held a public hearing on May 7 and reviewed the provided Capital Improvement Program. The Commission voted 5-0 to indicate the Capital Improvement Program was reviewed but the Commission abstains from providing any recommendation. In the public hearing and discussion prior to the vote, the Commission members felt there was not sufficient time or staff available at that hearing to answer specific questions. Given the fast approaching statutory deadline and the Commission not wanting to delay the process, the Commission was uncomfortable providing any recommendation on the program.
