

STAFFING IMPACT REPORT ON PROPOSED LEGISLATION

To: Mayor Gavin Buckley

From: Michael Mallinoff, City Manager

Date: January 22, 2025

Subject: O-5-25: Speed Monitoring Cameras

Purpose of legislation

The purpose of this legislation is to authorize speed monitoring systems in the City of Annapolis to comply with changes in the State law changes; and generally related to traffic monitoring systems in the City.

Impact of legislation on staffing

This legislation alone will not impact the staffing needs of the Annapolis Police Department. If the City decides to expand the use of speed monitoring cameras, however, that will impact staffing needs depending on the number of new cameras installed.
