

Annapolis – Hillman Garage

May 7, 2026

Snow Response & Coordination

Prioritized entrances and exits first, followed by pedestrian paths, with roof areas addressed last

Ice bonding and sustained freezing temperatures reduced the effectiveness of treated materials

Roof snow removal completed over the weekend of February 7

Follow-up coordination meetings scheduled to clarify responsibilities and improve response across all concession partners

Elevator & EV Charger Status

All EV chargers are operational except one unit, which has been offline long-term and is awaiting parts

No elevator issues reported or observed

High-level review of EV charging strategy underway; potential outcomes range from minor upgrades to full replacement

MVA/DMV Integration & Mobile LPR

Work with MVA began in October to enable vehicle flagging for unpaid parking

Limited progress through mid-January; escalation has since improved momentum

Remaining logistical and administrative steps remain, but overall outlook is positive

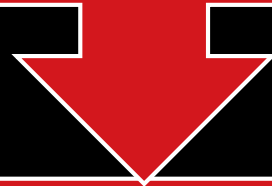

Once implemented, Premium Parking will fully operate mobile LPR within the platform, pending MVA lookup access

Programs & Promotions

Successful holiday season and free parking program with strong customer feedback and data

New special parking pilot to be announced

Will be fully implemented on the platform; name pending

December 2025 Occupancy

Average Response	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday	Total
12am - 2:59am	5%	4%	5%	5%	12%	15%	19%	9%
3am - 5:59am	5%	4%	5%	5%	11%	12%	15%	8%
6am - 8:59am	18%	17%	17%	18%	19%	15%	18%	17%
9am - 11:59am	46%	50%	47%	45%	48%	41%	42%	46%
