# **City of Annapolis Transit Development Plan**

#### Transportation Committee | May 7, 2025

MARYLAND TRANSIT ADMINISTRATION

### **Transit Development Plan**

- Builds upon and formulates goals and objectives for public transportation
- Reviews and assesses current transit services
- Identifies unmet transit needs
- Develops short-range course of action (5-Year Plan)
- Serves as a guide for implementing service and/organizational changes, improvements, or expansions
- Used as the basis for future federal and state funding applications to Maryland Department of Transportation – Maryland Transit Administration

#### City of Annapolis Transit Development Plan

Draft Plan – March 2025

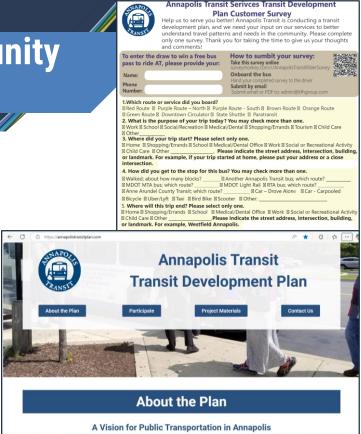

#### Planning Process

## Public Participation and Community Outreach

- Public Advisory Committee
- Transportation Committee
- Customer (Rider) Survey
  - Community Survey
- Stakeholder Interviews
- Operations/Driver Input
- Project Website
- Public Comment Period

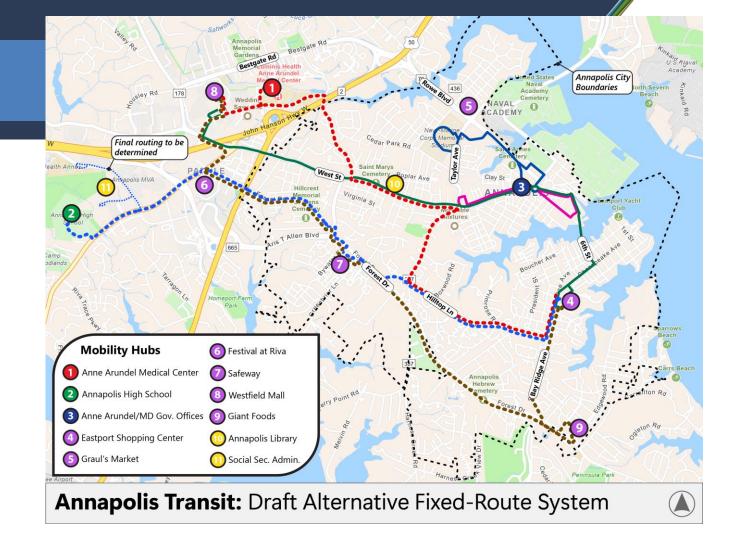

#### **Summary: Needs Assessment**

Current Customers:

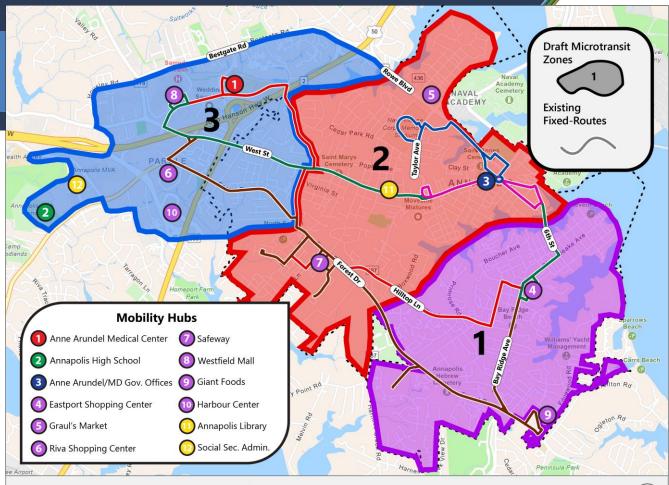

- Morning/evening/Saturday service
- Sunday service
- More frequent service
- Community Members:
  - New service that would connect communities to key destinations
  - Local service within their community, i.e. on-demand services
  - Service near their home
  - More frequent service / Shorter wait times
  - Improved information on available services
  - Need for Additional or Improved Public Transportation in Annapolis: 86% Responded "Yes"

#### **Proposed Improvements**

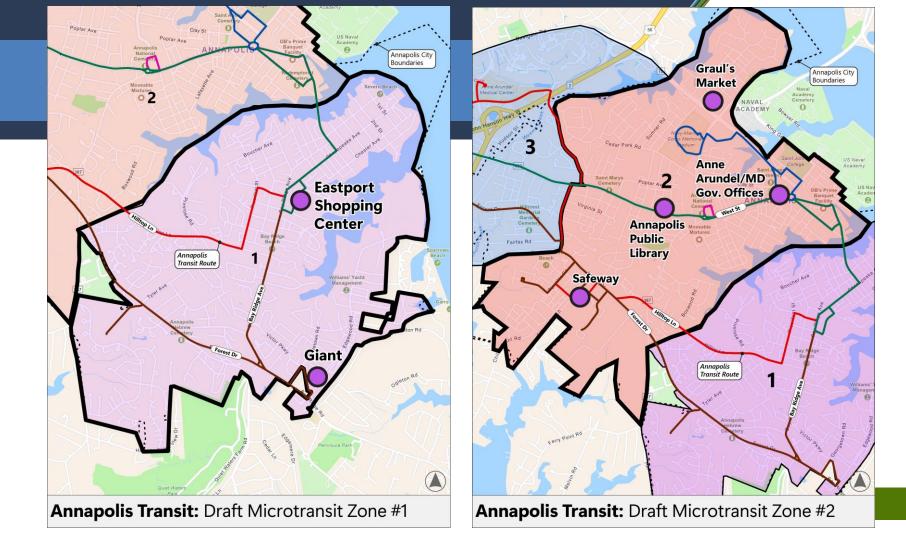

- Streamline current Brown, Green, and Red Routes
- Implement new Blue Route
- Expand Go! Time on-demand service
- Expand morning/evening/weekend services
- Coordinate with Anne Arundel County, MDOT MTA, and other stakeholders on potential regional services

| Total Proposed Operating Expenses   | \$5,179,717    | \$6,662,703 | \$7,876,602                                | \$8,270,432 | \$11,594,696                     |
| Anticipated Funding Sources for Operating                                   | ]              |             | •  |             | ·                                |
| Federal/State   | \$2,863,825    | \$3,683,756 | \$4,354,912                                | \$4,572,657 | \$6,410,617                      |
| Local   | \$2,315,892    | \$2,978,947 | \$3,521,691                                | \$3,697,775 | \$5,184,079                      |
| Total Proposed Operating Revenues   | \$5,179,717    | \$6,662,703 | \$7,876,602                                | \$8,270,432 | \$11,594,696                     |

### **Next Steps**

- Adoption by City Council
  - Acceptance does not obligate City of Annapolis or MDOT MTA to fund a particular improvement
  - Implementation of any improvement is a function of funding availability

Annual budget and MDOT MTA grant application process
