Statement of interest – Why should you be appointed to this board/commission?

I believe my experience can bring a good perspective to the board. I played sports my whole life, right through college; and I was a full time College Coach for 10 years (including stops at Division 1 schools Brown University and Colgate University). I have also been a youth volunteer coach in Annapolis for the last 10 years. I have been at all of the fields and facilities in the area; so I feel I am well versed to speak on how we can make those facilities, and the programs, better for the kids of Annapolis.
