City Council Citation

On behalf of the residents of the City of Annapolis, we present this City Council Citation in recognition of you, Stacey Holden, a fire fighter/paramedic with the Annapolis Fire Department and member of IAFF Local 1926, for an extraordinary act of courage, compassion, and selflessness. When you learned that a fellow Maryland fire fighter, Dan Carr, was in urgent need of a living liver donor, you stepped forward without hesitation. After months of testing, you were confirmed as a compatible donor and underwent a lifesaving transplant procedure, giving him the opportunity to recover, return to work, and reclaim his life. Your decision reflects the very best traditions of service before self. Your actions embody true brotherhood and sisterhood of the fire service and stand as an enduring example of heroism beyond the call of duty.
