

## **STAFF, STAFFING IMPACT, AND FISCAL IMPACT REPORT ON PROPOSED LEGISLATION**

---

To: Mayor Jared Littmann

From: Victoria Buckland, Acting City Manager

Date: February 4, 2026

Subject: O-2-26: Mooring Requirements in City Waters

---

### **Purpose of legislation**

The purpose of this legislation is to remove the limit on vessels moored in City waters to mooring within no more than 75 feet of a structure or another mooring and replace it with a determination related to obstruction; and generally related to mooring requirements in City waters.

### **Impact of legislation on operations**

This legislation will not have any impact on operations. It is simply a clarification.

### **Impact of legislation on staffing needs**

This legislation will not have any impact on staffing needs. It is simply a clarification.

### **Fiscal impact of legislation**

This legislation is not expected to change the City's fiscal position since it is simply a clarification and does not make underlying changes.
