

CA-2-24

FY 2025 City of Annapolis Departmental Reorganization

AMENDMENT 1 – ALD. SAVIDGE

Amendment Summary:

Amendment 1 removes the requirement that the Council Compensation Commission establish the executive pay scale, which the Mayor is responsible for enacting.

The amendment eliminates the roles of the Mayor and the Compensation Commission in determining executive compensation, placing that authority solely in the hands of the Council through our approval of the overall executive compensation plan.

MOTION:
