

O-3-26

Annapolis Harbor Lines at Hawkins Cove

AMENDMENT 1 – ALDERMAN THORP

Co-Sponsored by: Alderman Savidge and Alderwoman Contee

Amendment Summary:

“The minor revision to Exhibit A provides greater flexibility for the final design of the pier and dredging components of the Hawkins Cove project. Extending the harbor line opening toward the shoreline would allow us to shorten the pier without another harbor line amendment process. This revision does not impact the navigability or improvement rights of adjacent neighbors.”

Anne Roderer, Stormwater Engineer
Department of Public Works, City of Annapolis
