

FISCAL IMPACT NOTE

Ordinance: R-16-26

Title: Fees Related to Street Cafés, a Type of Outdoor Dining

Date: April 23, 2026

Background

The purpose of this legislation is to update the “type of fee” and “amount of fee” for Street Cafés, which is a type of City outdoor dining concession in Annapolis; including fees for both inside the Premium and outside the Premium Parking concession area; and generally related to Street Cafés.

Fiscal Impact on R-16-26 as Introduced.

The “Outside of the Concession Area” fee remains consistent with the prior fee at \$160.00/month per space implying there is no change to fiscal impact with that associated fee. The “Inside the Concession Area” fee being adjusted to “At a rate equal to 10 times the then-applicable parking meter’s hour rate/day per space” would indicate an increase to revenue; however, we cannot estimate the amounts at this time.
