

Annapolis Fire Department

FY26 BUDGET REVIEW

FY25 HIGHLIGHTS – Major Trends and Events

- Most importantly, we have had no fire fatalities in our jurisdiction for this year as well as the past fifteen years. Our most recent one occurred in 2010.
- We have two personnel currently in training to become Paramedics and another two are slated to begin their Paramedic training later in 2025.
- Received Capital Outlay Funding for the replacement of obsolete equipment.

Looking Ahead to FY26: Expected Trends and Events

- Capital Outlay funding approved for replacement of obsolete/safety equipment
 - \$395,000 for 4 Cardiac Monitors, 4 SCBA Cylinders, Ballistic Vests, upgraded Vehicle Exhaust System and replacement Bomb Suit
 - \$58,000 for ongoing replacement of items
 - \$18,000 for purchase of two more portable radios
