

O-29-24

Fence Permit Requirements Related to Buildings and Construction Standards in Title 17

AMENDMENT 4

Amendment Summary:

Amendment 4 changes the requirement for trees that must be shown in a scaled drawing for the permit application regarding a fence permit.

O-29-24 requires trees larger than five inches in diameter be shown regardless where it grows on the property. The committee amendment says the trees shown in the diagram need within three feet of a fence.

MOTION:

On Page 3, in line 1, after "height", insert ", and within three feet of the proposed fence".
