

# City of Annapolis

## City Council Citation

On behalf of the residents of the City of Annapolis we present this City Council Citation in recognition of the Downtown Annapolis Partnership and Executive Director Erik Evans for the thoughtful upgrades and enhancements to Weisman Park, located near the Visitor Center on West Street. Once an overlooked corner, this "pocket park" has been reimaged into a welcoming public space that showcases the creativity and whimsy that is a hallmark of the spirit of Annapolis. Through careful planning and stewardship, the park now serves as a model of how small urban spaces can become vibrant gathering places. The park's recognition by the "National Alliance of Preservation Commissions" underscores the significance of this achievement and showcases Annapolis as a leader in historic preservation and placemaking. We extend our gratitude and congratulations for this outstanding contribution to our cultural and civic life.
