#### Statement of interest – Why should you be appointed to this board/commission?

Re: Annapolis Environmental Commission

I have lived in Annapolis most of my life and in the city limits for over 30 years.

I am concerned about our trees and the English Ivy killing off our tree canopy.

The presentation at the Michael E. Busch Library on 9/7/2022 for Save Our Trees inspired me to "give back to the community I love". I have been cutting the ivy in my back yard and the neighbors also.
