## City Council Citation

On behalf of the residents of the City of Annapolis, we are pleased to confer upon you this City Council Citation in recognition of your outstanding cooperation and support of City staff in addressing critical infrastructure needs. In July 2025, during emergency repairs to remove collapsing abandoned fuel tanks in front of your establishment at 401 Fourth Street in Eastport, your team, including the owner, general managers and even the head chef, demonstrated exceptional community spirit. You maintained open communication with our Department of Public Works inspector and adapted restaurant operations to accommodate the work, including rerouting customers and providing cold drinks to crews working in extreme heat. Your support and hospitality showcase the civic partnership that strengthens the City of Annapolis. We are grateful for your contributions and proud to recognize Boatyard Bar & Grill as a valued neighbor and partner in public service.
