City Council Citation

On behalf of the residents of the City of Annapolis, we are pleased to present this City Council Citation in recognition of your dedication to working to meet the staffing needs of the Annapolis Police Department. As our sole recruitment officer, your work has led to the hiring of 35 sworn officers, seven communication officers, and a fully staffed Crossing Guard program over the past two years. You pour your heart and soul into securing the department's future (even recruiting your own son!). Thank you for your commitment, hard work and service to the Annapolis community!
