## City Council Citation

On behalf of the residents of the City of Annapolis, we are pleased to confer upon you this City Council Citation in recognition of your commitment and dedication to children who participated in the Police Athletic League swimming instruction camp. The Live Water Foundation had a vision and plan for a positive environment for children to learn to swim and have access to water activities. The Center Lane Swim School joined in the effort and willingly provided the facility and swimming instructors. Through this partnership, ten City children participated in a six-session swimming program. The children learned proper breathing, floating, kicking, and swimming strokes. Most importantly, the children learned how to feel safe in the water. These two organizations provided a tremendous opportunity for children to learn to swim. Thank you for your commitment, contributions, kindness and love for our children. The City of Annapolis and the Annapolis Police Department are grateful for the partnership!
