16 **A RESOLUTION** concerning

17 **Annapolis City Council Support for Maryland House Bill 226 and Senate Bill 569**
18 **(2025)**

19
20 **FOR** the purpose of showing the support of the Annapolis City Council for Maryland House
21 Bill 226 and Senate Bill 569 (2025) – Anne Arundel County – Public Schools – School
22 Schedule Options authorizing the Anne Arundel County Board of Education to eliminate
23 early dismissal days if Anne Arundel County Public Schools (AACPS) has met the State
24 requirement for annual school hours.

25
26 **WHEREAS,** Currently, Maryland public schools must be open for at least 180 days and 1,080
27 school hours at elementary and middle schools or 1,170 hours at high schools
28 during the 10-month school year;

29
30 **WHEREAS,** AACPS uses early dismissals to ensure that the State days and hours requirement
31 for public schools to be open are met.

32
33 **WHEREAS,** The Anne Arundel County school calendar for the 2024-2025 school year includes
34 12 early dismissal days, the same number as the 2023-2024 school year.

35
36 **WHEREAS,** The Board of Education of Anne Arundel County notes that early dismissal days
37 have been disruptive for students, families, and employees. Student attendance
38 rates are lower on early dismissal days and families often need to find alternative
39 childcare when schools close early.

40

1 **WHEREAS**, HB226 and SB569 would allow more flexible school scheduling, potentially
2 reducing or eliminating the need for early dismissal days in the school calendar
3 while still requiring the existing instructional time for students.
4

5 **WHEREAS**, The Anne Arundel County Board of Education states that HB226 and SB569 will
6 allow AACPS to establish a school year calendar that meets state education
7 requirements without depending on early dismissal days.
8

9 **NOW, THEREFORE, BE IT RESOLVED BY THE ANNAPOLIS CITY COUNCIL** that:
10 the Council supports passage of HB226 and SB569 (2025) by the Maryland General Assembly
11 and requests Governor Moore sign the legislation if adopted.
12

13 **AND BE IT FINALLY RESOLVED BY THE ANNAPOLIS CITY COUNCIL** that this
14 resolution shall take effect upon passage.
