City Council Citation

On behalf of the residents of the City of Annapolis, we are pleased to confer upon you this City Council Citation in recognition of your exceptional efforts to collaborate and activate a meaningful partnership between the City of Annapolis and the United States Naval Academy. While the City and the Naval Academy have been neighbors for hundreds of years, our partnership has never been stronger. You have helped to inform and communicate USNA activities to City residents. You have been proactive with the Midshipman Action Group, Downtown Annapolis Partnership, and numerous civic, educational and community groups. We all know that Midshipmen come to Annapolis seeking a career of service. For Midshipmen, that service begins on the ground in Annapolis with neighbors in need, from tutoring sessions with elementary school students to shoveling sidewalks for senior citizens - and everything in between - you have worked to make Annapolis a better place. We thank you for your 20 years of service to our nation and wish you the best of luck in your retirement! Congratulations.
